1. Can a vendor bid on only one portion of the RFP (e.g. Telephone Interpreting only)

Yes, vendors may bid on only one portion of the RFP

2. Page 4, Item "e"-- This item requests cost per hour or fraction thereof. In the case of telephone interpretation, is cost per minute acceptable?

Yes.

3. Page 4, Item "h" – Due to HIPAA and confidentiality issues, we do not record patient names and/or Medicaid Numbers on our invoices. Is this a standard requirement for your invoicing?

Yes, we <u>must</u> have the patient name AND Medicaid numbers to verify eligibility. Otherwise we will not pay the invoice. This information is vital for us to confirm that the patient/client is eligible to receive the services we are providing. Otherwise, we may be paying for people that aren't eligible or even on Medicaid and this will impact our funding for the interpretive services program.

4. Page 4, Item "h"-- where can we find the attached sample?

See attached.
